

## NURSERY LONG TERM PLAN 2023 - 2024

Our aim is to encourage each child to develop their full potential by growing in confidence and gaining independence in a caring and stimulating environment.

Every child deserves the best possible start in life and the support that enables them to fulfil their potential. In partnership with parents and carers, we enable the children to begin the process of becoming active life- long learners.

We understand and appreciate the importance of the outdoor environment for our children. It is a continuation of our indoor provision and it will be used at every opportunity. At St Joseph's, we provide our children with opportunities to develop all seven areas of the curriculum through both our indoor and outdoor provision and through accessing our Forest School environment. We want the children to feel safe and secure at all times and ensure that our safeguarding procedures are rigorous and kept up to date. Communication is important to us and we greatly value the relationship that we develop with parents throughout this year.

**St. Joseph's R.C Primary School and Nursery**  
**Nursery Long Term Plan 2023 – 2024**

Topics	Autumn 1 <i>All About Me</i>	Autumn 2 <i>Kindness &amp; Friendship</i>	Spring 1 <i>Wonderful Winter!</i>	Spring 2 <i>Let's grow!</i>	Summer 1 <i>Amazing Animals!</i>	Summer 2 <i>Under, on and by the sea.</i>
<b>Overarching Principles</b>	<b>Characteristics of Effective Learning and Teaching</b>					
	<p><b>Playing and Exploring:</b> - Children investigate and experience things, and 'have a go'. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning</p> <p><b>Active Learning:</b> - Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.</p> <p><b>Creating and Thinking Critically:</b> - Children develop their own ideas and make links between these ideas and develop strategies for doing things. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p> <p><b>Unique Child:</b> Every child is a unique child, who is constantly learning and can be resilient, capable, confident and self-assured.</p> <p><b>Positive Relationships:</b> Children learn to be strong and independent through positive relationships.</p> <p><b>Enabling environments:</b> Children learn and develop well in enabling environments with teaching and support from adults, who respond to their individual interests and needs and help them to build their learning over time. Children benefit from a strong partnership between practitioners and parents and/or carers.</p> <p><b>Learning and Development:</b> Children develop and learn at different rates. The framework covers the education and care of all children in early years provision, including children with special educational needs and disabilities (SEND)</p> <p><b>PLAY:</b> At St Joseph's, we understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. We believe that Early Years education should be as practical as possible and therefore, we are proud that our EYFS has an underlying ethos of 'learning through play'. Play is essential for children's development across all areas. Play builds on children's confidence as they learn to explore, to relate to others around them and develop relationships, set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults.</p> <p align="center"><b>We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.</b></p>

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	<i>All About Me</i>	<i>Kindness &amp; Friendship</i>	<i>Wonderful Winter!</i>	<i>Let's grow!</i>	<i>Amazing Animals!</i>	<i>Under, on and by the sea.</i>
<p><b>Core Values &amp; British Values</b></p> <p>Fundamental British Values underpin what it is to be a citizen in a modern and diverse Great Britain valuing our community and celebrating diversity of the UK.</p> <p>Fundamental British Values are not exclusive to being British and are shared by other democratic countries.</p> <p>These will mirror the principles and values of our school &amp; British Values.</p> <p>We will 'dip in and out of each area'</p>	<p align="center"><b>Mutual Respect</b></p> <p>We are all unique. We respect differences between different people and their beliefs in our community, in this country and all around the world. All cultures are learned, respected, and celebrated. We will celebrate and learn about a range of celebrations and festivals from a range of faiths throughout the year, teaching respect for others beliefs.</p> <p align="center"><b>Mutual Tolerance</b></p> <p>Everyone is valued, all cultures are celebrated and we all share and respect the opinions of others. Mutual tolerance of those with different faiths and beliefs and for those without faith. We will participate in a range of cultural and religious celebrations throughout the year to develop children's tolerance for others and encourage children to value difference in regards to faith.</p> <p align="center"><b>Rule of Law</b></p> <p>We all know that we have our school promises that we must follow. We know who to talk to if we do not feel safe. We know right from wrong. We recognise that we are accountable for our actions. We must work together as a team when it is necessary. We will introduce the children to the classroom rules and give them ownership by helping them to create a classroom display. We will use positive praise and classroom behaviour systems to encourage children's understanding of right and wrong.</p> <p align="center"><b>Individual Liberty</b></p> <p>We all have the right to have our own views. We are all respected as individuals. We feel safe to have a go at new activities. We understand and celebrate the fact that everyone is different. Our first topic is All about Me where we will celebrate our differences, what makes us individually special and respect for our differences.</p> <p align="center"><b>Democracy</b></p> <p>We all have the right to be listened to. We respect everyone and we value their different ideas and opinions. We have the opportunity to play with who we want to play with. We listen with intrigue and value and respect the opinions of others.</p>					

**St. Joseph's R.C Primary School and Nursery**  
**Nursery Long Term Plan 2023 – 2024**

each term as and when needed.	
-------------------------------	--

	Autumn 1 <i>All About Me</i>	Autumn 2 <i>Kindness &amp; Friendship</i>	Spring 1 <i>Wonderful Winter!</i>	Spring 2 <i>Let's grow!</i>	Summer 1 <i>Amazing Animals!</i>	Summer 2 <i>Under, on and by the sea</i>
<b>Parental Involvement</b>	<p>We recognise that parents are children's first and most enduring educators. We actively involve parents and carers in their children's educational journey by:</p> <ul style="list-style-type: none"> <li>• an effective and comprehensive transition period to support children and their families, including settling in sessions, nursery and reception class visits and completed 'all about me' form before starting;</li> <li>• ensuring all parents know who their child's key worker is (class teacher in Reception);</li> <li>• parent workshops to help parents understand how they can support their child's learning;</li> <li>• arranging a range of activities throughout the year that encourage collaboration between child, school and parents: home learning activities, school events, productions/assemblies, school visits;</li> <li>• the use of Kinteract as an online journal to share children's learning and achievements with parents;</li> <li>• regular updates on our class pages on the school website to show learning in action;</li> <li>• providing parents an opportunity to celebrate their child's learning and development by completing "wow" moments and adding them to the online learning journal which inform planning and provision;</li> <li>• encouraging parents to talk to the child's teacher if there are any concerns. There is a formal meeting for parents twice a year at which the teacher and the parent discuss the child's progress together, a Reception welcome meeting in July to introduce expectation for the year and a curriculum evening in September. Parents receive a report on their child's attainment and progress each school year;</li> <li>• providing each Reception child with a reading record that goes home with them every day with comments on progress and next steps and parents are encouraged to make positive comments on their child's reading at home. We also send weekly newsletters home with tasks linked to children's learning that week so parents can be involved in understanding what their child is learning.</li> </ul> <p align="center"><b>It is important for parents and early years settings to have a strong and respectful partnership. This sets the scene for children to thrive in the early years.</b></p>					
<b>Support for Parents</b>	<p align="center"><b>Nursery</b></p> <ul style="list-style-type: none"> <li>• Monthly Stay &amp; Play sessions for perspective families</li> <li>• Parent involvement in school trips and outings</li> <li>• Support for families with English as an additional language to come and read stories in their first language to the children</li> <li>• Support with behaviour at home</li> <li>• Support for toilet training</li> </ul>			<p align="center"><b>Reception</b></p> <ul style="list-style-type: none"> <li>• Phonics Workshops</li> <li>• Kinteract Workshops</li> <li>• Curriculum Evening</li> <li>• Parent involvement in school trips and outings</li> <li>• Support with behaviour at home</li> <li>• Reception new starters summer family picnic</li> </ul>		

## St. Joseph's R.C Primary School and Nursery

### Nursery Long Term Plan 2023 – 2024

<ul style="list-style-type: none"> <li>• Support for families of children with SEN – including support with referrals and strategies.</li> </ul>	<ul style="list-style-type: none"> <li>• Support for families of children with SEN – including support with referrals and strategies.</li> </ul>
--	--

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	<i>All About Me</i>	<i>Kindness &amp; Friendship</i>	<i>Wonderful Winter!</i>	<i>Let's grow!</i>	<i>Amazing Animals!</i>	<i>Under, on and by the sea</i>
<b>Communication and Language</b>	<p>The development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added, practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, story-telling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.</p>					
	<p><i>Join in rhymes, stories &amp; refrains. Listen to stories in whole groups and in small groups. Discuss pictures, predict next part of the story... what happens next (Oak Leaves)</i></p> <p><i>Learn simple rhymes of the Week.</i></p> <p><i>Listen to others in small groups e.g. adult led activities, show and tell, Doug</i></p> <p><i>Encouraging using sentences, activities such as – 'My favourite toy is...because...'</i></p> <p><i>Music and song time: start to join in with actions and repeated refrains of familiar songs and rhymes.</i></p> <p><i>Introducing and developing vocabulary – words relating to me, my family, friends and church.</i></p> <p><i>Encourage back and forth interactions with adults and peers in the role play areas.</i></p>		<p><i>Our topic will encourage children to think about what they need to keep warm in winter and develop their vocabulary.</i></p> <p><i>Encourage children to listen to others &amp; join in discussions relating to talk topics in small and large groups</i></p> <p><i>Support children to use sentences, e.g. I need gloves because...</i></p> <p><i>Introducing and developing vocabulary - use the tuff tray labelling as examples.</i></p> <p><i>Words relating to winter, e.g. frosty, slippery. Names of Arctic and Antarctic animals – polar bear; puffin, Arctic fox; penguin, whale.</i></p> <p><i>Introducing language prompts and blank level question examples in all areas of learning.</i></p> <p><i>Listening to familiar books regularly, for example, stick man; will help with their listening and attention and recall.</i></p>		<p><i>Our topic will encourage children to name and describe animals from around the world and talk about where they are from, what they eat etc.</i></p> <p><i>Encourage children to listen to others &amp; join in discussions relating to talk topics in small and large groups</i></p> <p><i>Support children to use sentences, e.g. I like this animal because...</i></p> <p><i>Introducing and developing vocabulary and using 'wow' words and exciting tuff tray activities.</i></p> <p><i>Words relating to animals: fur, wings, legs, beak, habitat, sea, land, meat eater, ferocious, gentle.</i></p> <p><i>Continue to develop language prompts and blank level question examples in all areas of learning.</i></p> <p><i>Listening to familiar books regularly, for example, Animal boogie; will help with their listening and attention and recall.</i></p>	

# St. Joseph's R.C Primary School and Nursery

## Nursery Long Term Plan 2023 – 2024

			<p>The development of the indoor and outdoor role play areas will promote positive communication.</p>
--	--	--	---

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	<i>All About Me</i>	<i>Kindness &amp; Friendship</i>	<i>Wonderful Winter!</i>	<i>Let's grow!</i>	<i>Amazing Animals!</i>	<i>Under, on and by the sea</i>

<b>Personal, Social and Emotional Development</b>	<p>Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life.</p>					
---	--	--	--	--	--	--

	<p><i>All about me – sense of belonging. Encouraging sense of belonging – to family; nursery; church family. Our class identity – All the children to help make and label the parts of a child for our topic board in nursery uniform. Leave parents/carers happily &amp; confidently. Developing children's ability to follow behaviour expectations; talk about nursery promises. Begin to select resources and tidy them away. Begin to learn how to sit &amp; listen to others and to stories for increasing periods of time.</i></p> <p><i>Make/develop friendships with peers. Take turns when playing - ask politely &amp; use timers with support. Ask for help from adults &amp; peers. Talk about &amp; begin to understand other children's feelings &amp; viewpoints. Emotions board - how are you feeling today? Encouraging a 'can do attitude' as we share the things we can do and things that are unique about each one of us...'I am special because...' circle activity; using mirror to look at ourselves... different colour eyes; hair etc. create a self-portrait for the display.</i></p>	<p><i>Support new starters to leave parents/carers happily &amp; confidently. Continue to develop children's ability to keep nursery promises and think about their own new year promises. Select resources and activities independently, treat them with care &amp; learn how to tidy them away.</i></p> <p><i>Support children to sit &amp; listen to others and to stories and discussions at circle time. Begin to identify with Acorns and Oaks group and participate in activities. Make/develop friendships with peers. Take turns when playing - ask politely &amp; use timers where support is needed. Ask for help from adults &amp; peers.</i></p> <p><i>Discuss &amp; begin to understand other children's feelings &amp; viewpoints, share likes and dislikes. Talk about our feelings using emotions chart – and puppets using our puppet theatre in the new reading and music shed.</i></p>	<p><i>Support the Oakleaves to sit and participate in Fred the Frog Read Write Inc activities.</i></p> <p><i>Take turns when playing - ask politely &amp; use timers where support is needed. Ask for help from adults &amp; peers.</i></p> <p><i>Discuss &amp; begin to understand other children's feelings &amp; viewpoints, share likes and dislikes. Talk about our feelings using emotions chart – and puppets using our puppet theatre in the new reading and music shed.</i></p> <p><i>Take part in group activities, for example 'Guess the sound' game, tasting activities and discovering different smells; taking it in turns and accepting others points of view.</i></p> <p><i>Use role play to help with social interaction and to support sharing and turn taking.</i></p>
--	---	--	--

**St. Joseph's R.C Primary School and Nursery**  
**Nursery Long Term Plan 2023 – 2024**

--	--	--	--

	<b>Autumn 1</b> <i>All About Me</i>	<b>Autumn 2</b> <i>Kindness &amp; Friendship</i>	<b>Spring 1</b> <i>Wonderful Winter</i>	<b>Spring 2</b> <i>Let's grow!</i>	<b>Summer 1</b> <i>Amazing Animals!</i>	<b>Summer 2</b> <i>Under, on and by the sea</i>
<b>Physical Development</b>	<p>Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination, which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.</p>					
	<p><i>Develop self-help skills – e.g. wash hands independently; put on own coat independently/begin to fasten</i></p> <p><i>Outside - Use outdoor equipment confidently; stepping stones, balance boards; play trail; hoops, etc. Use paintbrushes, chalk, whiteboard pens to make large patterns &amp; marks. Mud kitchen – develop imagination, language, scooping and pouring</i></p> <p><i>Indoors - Use paint brushes, chalk, whiteboard pens, pencils, crayons etc to make large patterns &amp; marks. Use scissors to cut out things we like from magazines. Use peg boards, to develop fine motor skills 'Write'/make marks to represent favourite things.</i></p> <p><i>Take part In P.E sessions - learning basic ball skills, balancing, throwing and moving in different ways.</i></p> <p><i>Take part in dancing in little swallows sessions and weekly tennis sessions to help with hand eye co-ordination.</i></p>		<p><i>Develop self-help skills - use toilet and wash hands independently' remembering to wash hands for 20 seconds.</i></p> <p><i>Put on own coat independently/begin to fasten zips</i></p> <p><i>Outside – winter walks - exploring the field; finding out about the effects on our body e.g. when it is cold what happens to our breath? Den building: Can they build a den that they can fit into? Or a den for an animal? Trim trail – show the children how to use the trim trail safely and encourage risk taking.</i></p> <p><i>Indoors - Use paint brushes, chalk, whiteboard pens, pencils, crayons etc. to make large patterns &amp; marks. Use scissors to make cuts and create snowflakes</i></p> <p><i>Dough – developing gross motor skills as will pull and stretch the dough and fold in the glitter. Use threading to develop fine motor skills.</i></p> <p><i>Take part In P.E sessions - Balancing, throwing and moving in different ways. Encourage working together.</i></p>		<p><i>Develop self-help skills - use toilet and wash hands independently' remembering to wash hands for 20 seconds.</i></p> <p><i>Outside – What's the time Mr. Wolf, Listening walks, Hide and seek, sports day practice, trim trail, obstacle courses, cars and bikes, large painting on the easel, using gardening tools to get our flower beds ready for planting. Trim trail. Weaving shapes and numbers for fine motor control.</i></p> <p><i>Indoors - Use paint brushes, chalk, whiteboard pens, pencils, crayons etc. to make large patterns &amp; marks. Scissor skills: collage.</i></p> <p><i>Dough – developing gross motor skills as will pull and stretch the dough and fold in the glitter.</i></p> <p><i>Cooking: making Jam tarts: using tools. Oakleaves to start to hold pencils correctly to start writing their name.</i></p>	

**St. Joseph's R.C Primary School and Nursery**  
**Nursery Long Term Plan 2023 – 2024**

		<i>Take part in dancing in little swallows sessions and weekly tennis sessions to help with hand eye coordination.</i>

	<b>Autumn 1</b>	<b>Autumn 2</b>	<b>Spring 1</b>	<b>Spring 2</b>	<b>Summer 1</b>	<b>Summer 2</b>
	<i>All About Me</i>	<i>Kindness &amp; Friendship</i>	<i>Wonderful Winter</i>	<i>Let's grow!</i>	<i>Amazing Animals!</i>	<i>Under, on and by the sea</i>
<b>Literacy</b>	<p>It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).</p>					
	<p><i>Look at books independently</i>  <i>Listen to simple stories &amp; discuss main characters, places</i>  <i>Oak Leaves - Recognise &amp; find their own name on their Oak Leaf.</i>  <i>Acorns – introduce named Acorns ... 'this is your name'</i>  <i>Encourage the children to look for print in the environment – outside: children to put away resources and look out for the numbered labels.</i></p>		<p><i>Read Write Inc.- 'my turn, your turn'(MTYT); 'talk to your partner' (TTYO); stop and listen (hand signal)</i>  <i>Acorns: Find own name card at snack and lunch times.</i>  <i>Oakleaves -Recognise &amp; find own name card - copying over/under letters of name.</i>  <i>Awareness that marks have meaning.</i>  <i>Listening to and talking about winter stories (e.g. Stick Man, The Gruffalo's Child), remember favourite characters and say what happens next.</i>  <i>Use a range of mark making equipment outside such as sticks to make marks in a range of messy play.</i></p>		<p><i>Read Write Inc.- 'my turn, your turn'(MTYT); 'talk to your partner' (TTYO); stop and listen (hand signal)</i>  <i>Play FRED games and introduced speed sounds to the children who are ready.</i>  <i>Acorns: Find own name card at snack and lunch times.</i>  <i>Oakleaves -Recognise &amp; find own name card - copying over/under letters of name.</i>  <i>Awareness that marks have meaning.</i>  <i>Listening to and talking about stories (e.g.Owl babies, stinksaurus), remember favourite characters and say what happens next</i></p>

**Nursery Long Term Plan 2023 – 2024**

--	--	--	--

	<b>Autumn 1</b>	<b>Autumn 2</b>	<b>Spring 1</b>	<b>Spring 2</b>	<b>Summer 1</b>	<b>Summer 2</b>
	<i>All About Me</i>	<i>Kindness &amp; Friendship</i>	<i>Wonderful Winter</i>	<i>Let's grow!</i>	<i>Amazing Animals!</i>	<i>Under, on and by the sea</i>

<b>Mathematics</b>	<p>Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.</p>
--------------------	--

	<p><i>Termly maths focus - number</i>  <i>Number of the week: introduce numbers 1-10. Number blocks.</i>  <i>Count how many – children in Nursery.</i>  <i>Create a sensory number line- so that children can feel the shape of the number.</i>  <i>Using topic activities to develop counting and number recognition e.g. when drawing a picture of ourselves noticing and counting - how many eyes, ears do we have? Measuring children - who is the tallest? Finding out how many children have blue eyes and how many have brown - make a graph to find out if there are more blue eyes or more brown eyes.</i>  <i>Counting songs and rhymes. Use tuff trays inside and outside to make maths exciting and messy!</i></p>	<p><i>Termly maths focus – Shape and pattern</i>  <i>Develop understanding of number and shape -</i>  <i>e.g. using 'Number and shape of the week' - encouraging children to recognise how many as we show a number of objects relating to the number of the week and number recognition and looking in the environment for shapes.</i>  <i>Activities to name and recognise simple shapes e.g. Circle; square, triangle – matching shapes on interactive board; recognising shapes in non-standard positions in games and activities.</i>  <i>The new outdoor Maths area will help develop children's knowledge in all the Maths areas. They can explore the area with the help of an adult and there will be a focus activity in the tuff tray every day.</i></p>	<p><i>Termly maths focus: Measure and spatial awareness</i>  <i>Develop understanding of number and shape -</i>  <i>e.g. using 'Number and shape of the week' - encouraging children to recognise how many as we show a number of objects relating to the number of the week and number recognition and looking in the environment for shapes.</i>  <i>Activities to name and recognise simple shapes e.g. Circle; square, triangle – matching shapes on interactive board; recognising shapes in non-standard positions in games and activities.</i>  <i>The new outdoor construction/Maths area will help develop children's knowledge in all the Maths areas. They can use the large weighing scales to weigh different materials and the weaving numbers and shapes for number and shape recognition.</i></p>

**Understanding the World**  
 Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.

	<p><i>People and Communities -</i>  <i>RE - learn prayers; reflect on our day, developing our sense of belonging...part of God's family.</i>  <i>RE TOPIC: Families...Finding out about each other and our families - how we are the same and how we are different - hand prints, pictures of ourselves; families; making 'mirrors'.</i>  <i>The World</i>  <i>Finding out about how we get to nursery (walk/car) and what we see on the way.</i>  <i>ICT - interactive toys.</i>  <i>Using the Ipad to take selfies for our picture gallery and photos of our friends and things we like in nursery.</i></p>	<p><i>People and Communities</i>  <i>RE topic – celebrations, e.g. birthdays. Gathering together to worship God together in Nursery. Our prayer focuses this half term is being thankful and we will be writing our new year promises for our promise tree.</i>  <i>The World</i>  <i>Explore changes - water, turning into ice and vice versa -making our own ice cubes and blocks. Finding out what makes ice melt, e.g. heat; salt. Observing change in the natural world e.g.no leaves on the trees; frost on the ground and in puddles. Finding out about animals that live in the Arctic and Antarctic</i>  <i>ICT - Completing simple games and activities on interactive whiteboard. Recording what we see by taking photos and how we put those photo's onto the computer and view them on the screen.</i>  <i>The children will have constant access to the water wall on the playground, which encourages problem solving, using pipes and funnels and emptying and filling containers.</i></p>	<p><i>People and Communities</i>  <i>RE topic – Being thankful, celebrating our good news, celebrating the Kings coronation, celebrations, e.g. birthdays. Gathering together to worship God together in Nursery. Our prayer focuses this half term is being thankful and we will be celebrating our good news from home.</i>  <i>The World</i>  <i>Getting the planters ready for planting, then planting and taking care of fruits, vegetables and flowers. Trip to the farm park where we will see baby animals and play with small world activities, linking back to what we have seen. Exploring our small world trays, inside and outside.</i>  <i>ICT - Completing simple games and activities on interactive whiteboard. Recording what we see by taking photos and how we put those photo's onto the computer and view them on the screen.</i>  <i>The children will have constant access to the water wall on the playground, which</i></p>

<b>Expressive Arts and Design</b>	<p>The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.</p>					
	<p><i>Using a variety of paint techniques e.g. sponge painting; water painting; hand prints; finger painting</i></p> <p><i>Making collages of things we like; drawing and painting ourselves family and friends.</i></p> <p><i>Introduce role play area indoors and outside - home corner/shop.</i></p> <p><i>Outside- mud kitchen; builders yard/ tool bench.</i></p> <p><i>Using mirrors to find out about and notice our features... 'drawing' what we can see.</i></p> <p><i>Creating a class nursery child for our display and self-portraits.</i></p> <p><i>Take part in weekly art sessions with Miss. Jenn.</i></p>		<p><i>Creating a winter display for our season's topic board. Making snowflakes using stencils and paper doilies.</i></p> <p><i>Using different textures to create pictures e.g. cotton wool for snow people; tissue and material for winter clothing such as hats and scarves.</i></p> <p><i>Being imaginative and creating our own designs for scarves etc.</i></p> <p><i>Being involved in Messy play including exploring the texture of Ice and fake snow. Also finding snowflakes hiding in Gloop.</i></p> <p><i>Choosing and joining in with songs and rhymes from our 'choosing board.'</i></p> <p><i>Exploring the changing role play areas inside and outside: beginning to make believe and engage in imaginative play.</i></p> <p><i>Take part in weekly art sessions with Miss. Jenn.</i></p>		<p><i>Creating a Summer display for our season's topic board. Making boats, scenery and sea creatures.</i></p> <p><i>Being imaginative and creating our own designs for sun glasses, kaleidoscopes, shakers.</i></p> <p><i>Being involved in Messy play including exploring the texture of slime and gloop feeling a range of different textures.</i></p> <p><i>Choosing and joining in with songs and rhymes from our 'choosing board.'</i></p> <p><i>Exploring the changing role play areas inside and outside: beginning to make believe and engage in imaginative play.</i></p> <p><i>Role play of the 'Handa's surprise' story using props to support role play.</i></p> <p><i>Taking part in weekly art sessions with Miss. Jenn.</i></p>

## Nursery Long Term Plan 2023 – 2024

<u>Little swallows (Wednesday)</u>	<u>P.E and Tennis (Tuesday and Friday)</u>	<u>Art (Tuesday)</u>	<u>Forest school (weekly)</u>
<p><b>PSED:</b> Joining in with peers and less familiar adults. Participating in collective cooperation.</p>	<p><b>PSED:</b> Joining in with peers and less familiar adults. Participating in collective cooperation. Experimenting with what their bodies can do: dancing. Seek out others to play with during some activities.</p>	<p><b>PSED:</b> Joining in with peers and less familiar adults. Participating in collective cooperation. Asserts likes dislikes and ideas.</p>	<p><b>PSED:</b> Joining in with peers and adults. Participating in collective cooperation. Experimenting with what their bodies can do. Seek out others to play with.</p>
<p><b>C&amp;L:</b> Listening to and joining in with stories, songs and rhymes. Showing an interest in play with sounds. Following simple instructions. Using a variety of language.</p>	<p><b>C&amp;L:</b> Understand simple sentences: Freeze, throw the ball, pick up the hoop... Identify and use action words. Understand more complex sentences: get a ball and stand in a space.</p>	<p><b>C&amp;L:</b> Understand simple sentences. Learn and use new words and ask questions about the materials they are using and activities they are doing.</p>	<p><b>C&amp;L:</b> Understand simple sentences. Learn and use new words and ask questions. Use language to share thoughts and feelings and use longer sentences.</p>
<p><b>PD:</b> Participating in finger rhymes and action songs. Moving in response to music.</p>	<p><b>PD:</b> Walking and running using alternate feet. Stopping, starting and changing direction. Squatting. Jumping up with both feet and jumping forward. Kicking a ball with either foot. Throwing a ball with force and accuracy. Running with spatial awareness and negotiating obstacles. Grasp and release with both hands.</p>	<p><b>PD:</b> Make connections between the marks and the movements they make. Show increasing control in using mark making tools and use thumb and all finger grip, moving onto pincer grip. Using one handed tools: paint brush, scissors, pencils.</p>	<p><b>M:</b> Depending on the session, they often incorporate Maths into the session. Responding to positional language, moving their bodies around objects, Talking about shapes in the environment and using counting words.</p>
<p><b>L:</b> Filling in missing words from rhymes and songs. Enjoying activities with instruments.</p>	<p><b>M:</b> Moving their bodies around objects. Respond and use spacial and positional language. Investigate fitting themselves inside and moving through spaces.</p>	<p><b>L:</b> Understand the cause and effect of their actions in mark making. Enjoy the sensory experience of making marks and distinguishing between the marks they make. Enjoys making marks with a range of media.</p>	
<p><b>M:</b> Depending on the session, they often incorporate Maths into the session. Counting with rhymes, responding to positional language, anticipating repeated sound and action patterns.</p>			<p><b>UW:</b> Enjoy learning about the natural world and nature. Notice detailed features in their environment. Can talk about things observed such as animals, plants and natural objects.</p>
<p><b>EAD:</b> Moving whilst singing/listening to sounds. Imitating actions observed. Joins in with favourite songs. Creating sounds by banging, tapping, shaking.</p>		<p><b>EAD:</b> Exploring through sensory exploration and expression. Enjoy playing with and combining colours. Using 2d and 3d structures to explore materials and express ideas.</p>
