# Part A: Pupil premium strategy plan

## Statement of intent

- ***What are your ultimate objectives for your disadvantaged pupils?***
  - To ensure that teaching and learning opportunities meet the needs of all the pupils
  - To ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
  - *Narrow the attainment gaps between disadvantaged pupils and their non-disadvantaged counterparts both within school and nationally*
  - Ensure ALL pupils are able to read fluently by the end of Key Stage 1 and with good understanding to enable them to access the breadth of the curriculum
  - Enable pupils to look after their social and emotional wellbeing and to develop resilience
  - To access a wide range of opportunities; developing their knowledge and understanding of the world both in and outside of school
  
- ***How does your current pupil premium strategy plan work towards achieving those objectives?***

To achieve our objectives and overcome identified barriers to learning we will:

- Provide staff with high quality CPD to ensure that pupils access effective quality first teaching
- Provide targeted intervention based on rigorous assessment throughout the school to quickly address identified gaps in learning, including the use of small group work, 1:1 tuition
- Target funding to ensure that all pupils have access to trips, residential, first hand learning experiences
- Provide opportunities for all pupils to participate in enrichment activities including sport and music
- Provide appropriate nurture and pastoral support to enable pupils to access learning within and beyond the classroom.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1 ATTENDANCE	Low attendance and persistent absenteeism of PP/disadvantaged children. This has been further affected during the lockdown periods, with challenges in ensuring that PP children accessed all home school learning
2 MOBILITY	36% of these PP children joined later than usual entry year. Of these 6 were below ARE.
2 COMMUNICATION (specific speech and language needs)	Difficulty with oracy and new vocabulary
3 PASTORAL	Pupils emotional well-being, social and behavioural needs, due to life situations outside school but affecting their ability to make at least expected progress, due to impacting their readiness to learn.
4 CURRICULUM DEVELOPMENT	Gaps in reading, writing, maths and phonics
5 HOME SCHOOL COMMUNICATION	Limited parental engagement with school and learning in some circumstances resulting in reduced homework completion, a lack of readiness for school
