

# YEAR 6 WORKSHOP

*A message from Mr Gunter...*

**This week, we welcomed Kate back to school to continue our work on mental health. We completed our first activity on how to feel good about ourselves and be proud of who we are. We then drew around each other and added important messages inside on how we can help ourselves if we feel we are suffering with our mental health. Around the outline of ourselves we wrote advice on how we could help our friends if they are feeling down or upset. We then created mental health hashtag messages that we will remember and fulfill as we continue our school journey.**

**A MESSAGE FROM MRS LEREGO**

We had a wonderful trip to the community gardens with the Oakealves this week. We watched the busy bees, explore the different areas of the gardens and planted our own peas!

We have been looking at spatial awareness and the children have enjoyed matching the meg blocks to the chalk outlines. As Dear Zoo has been our story of the week, we cut out different animals and made a home for them!

Well done to Oliver, For settling in well with Nursery routines.
