Monday 22nd April 2024

Dear Parent and Carers,

Techniquest Cardiff Exhibition + Science Theatre Show 'At the Circus.'

Delyth the Dragon is very excited about going to the circus.

But when they get there, her mum has one giant dragon sneeze and blows the circus down.

Everything is in chaos and Delyth has a race against the clock to put everything right. Join Delyth the dragon and use your maths skills to help everyone at the circus so the show can go on.

In this interactive show pupils explore weights and measures, sorting, 3D shapes, number sequences and fun sums.

As part of the children's topic learning, Big Ben Class are due to be visiting Techniquest on **Wednesday 22nd May**. This will be a great opportunity for the children to visit a science museum, participate in a fun theatre show and enhance their learning in many curricular areas.

The children will leave school by bus at 8.45am so please could they arrive for 8.30am. They will be picked up at 1.30pm and they will return to school in time for pick up at 3:15pm.

The cost of the trip is £20.00 and a payment item has been added to ParentPay (students in receipt of pupil premium will pay a discounted rate of £10.00 for the trip). Consent for the trip will be given when payment is made.

Your child does not require to bring any money on this trip. On this day the children will come to school wearing school uniform. Please could they also bring a coat.

Please could you provide your child with a packed lunch, a morning snack and a water bottle on this day.

We hope this will be a fun and enjoyable day that I am sure they will remember!

Many thanks

Yours sincerely

Mrs Urding
Class teacher
