Friday 2<sup>nd</sup> February 2024

Dear Parent/Carer,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 9 February 2024**.

## Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

## Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

## Maths Head/Hair

This year, we would like you to create a hair style or paint your face with a number theme. You could put your hair into 4 bunches or use face paints to create calculations. You could paint the Number Blocks characters on your face. The choice is yours.

The children can also *Dress up for Digits* and wear an item of clothing with a number on it (football shirt, netball shirt or even a onesie!). You could be even more creative by dressing in a maths or numbers theme.

Throughout the day, the children will be linking up with other classes to take part in number-based activities.

## Fundraising

To help raise money for the NSPCC, we would ask that the children bring in a £1 donation to support NSPCC's work and we'd love everyone in the school to take part in this special event.

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at St Joseph's will make an enormous difference to children today and help the NSPCC be there for children tomorrow. Thank you.

Best wishes,

*A Murray*

Mrs Murray  
KS1 Maths Lead
