Dear Parents/Carers,

Ofsted Inspection Report: 31st January – 1st February 2024

We are very pleased to now be able to share with you the outcome from our recent Ofsted inspection. This was an ungraded inspection, which means that the overall grade of the school cannot change as a result of the visit. Nevertheless, we are delighted that the inspector recognised many of the fantastic achievements that we have celebrated as a school and how well our pupils thrive, the first point made in the report:

'Pupils thrive at St Joseph's RC Primary School. Parents and carers share their children's enthusiasm for the education provided. They greatly value how well staff communicate with them and treat pupils as individuals.'

We would like to thank the parents and carers who completed the Parent View survey, the results of which were overwhelmingly positive. Working together with you is vitally important in being able to provide the very best environment and outcomes for our children. As always, thank you so much for your contribution as members of our school family.

We are very proud of all our school's continuing achievements with many of these being recognised and celebrated in the report, for example:

'Pupils benefit from a broad and ambitious curriculum. This is well planned. Children get off to a great start in the early years, and learning moves smoothly from one key stage to the next.' ... 'Pupils enjoy an exceptional range of additional opportunities.'

From the start, the school sets high expectations for pupils' behaviour. Staff apply the school's rules fairly and consistently. This ensures that pupils behave well in lessons. Pupils demonstrate consistently positive attitudes to learning, and generally take pride in their work.

Leaders have ensured that everyone works together to enable pupils to be confident, caring citizens well prepared for the future.

We are all very proud of our wonderful school and I would like to thank the staff team for their continued dedication and work in providing the very best we possibly can for our children.

Yours sincerely

H. Francis
