

'Treat others the way you want to be treated.'

Matthew 7:12

7/3/25

Dear Family,

Firstly, thank you to parents for attending their child's parents evening this week, we hope you found them useful in understanding how your child is progressing and what their targets are in moving forward. These meetings are so important in ensuring there is clear communication between home and school and we are working together in partnership to ensure the children are achieving their best outcomes. It's also a lovely opportunity for parents to see their children's work books and be a part of their learning environment.

On Wednesday afternoon we held our Ash Wednesday Celebration of the Word. It was such a lovely day, we decided to hold this on the school field. Everybody received their ashes to mark the start of our Lenten journey. We have also made our Lenten promises to help us become the best versions of ourselves, as we use this time to reflect and grow closer to God.

Shrove Tuesday

We had a great day on Tuesday, celebrating Shrove Tuesday! Mr Barlow came in to make pancakes with us. The children enjoyed tasting a variety of different toppings! They are now ready to start their Lenten Journey!!!

Pancake Race

We all enjoyed ending our Shrove Tuesday celebrations with pancake races on the field! All of the classes took part in flipping their pancakes on their tennis rackets! It was great fun!

THE BIG LENT WALK

NURSERY IN ACTION THIS WEEK!

A message from Mrs Lerego..

The Seedlings have loved playing in their baby garden, in the sunshine this week - exploring the sand and water trays and whizzing down the slide! They made some lovely fork painting pictures too.

The Acorns and Oakleaves had a great time scrape painting with Miss. Jenn and Molly and enjoyed a lovely Lent walk with reception children around the school grounds.

Garden Club

What a lovely group of busy bees this week in gardening club! We learnt all about planting potatoes in pots. All shoots must be facing up, cover the potatoes with just enough soil that you can't see them. As they grow, top up the soil as often as needed.

Then we got busy sowing more beautiful flowers for our school. At the end of Spring look for our colourful nasturtiums and cosmos. Happy planting season everyone!

RECEPTION CLASS AT FOREST SCHOOL THIS WEEK!

To celebrate Ash Wednesday, the beginning of Lent - Swift Class helped to make their own Lenten Crosses at Forest School this week. Mrs Bennett taught us how to tie a clove hitch knot, and with support, the children made their own crosses using two sticks and wool. We will use these to help us during prayer times, and as a reminder to feel closer to God during this special season of Lent.

Enjoy your weekend

God Bless

Mrs Francis
